- **TERMS AND CONDITIONS OF SERVICE**
- **1. LIABILITY, RISK, & INSURANCE:** All vessels, trailers, and personal property are stored and serviced at the Owner's sole risk. Stateline Boat Works (SBW) is not liable for loss or damage due to fire, theft, vandalism, weather, storm surge, ice, or mechanical failure, except in cases of SBW's gross negligence. Owner must maintain active insurance coverage. SBW is not responsible for the vessel's watertight integrity or seaworthiness upon departure. Any emergency pumping or monitoring required will be billed at prevailing hourly rates.
- **2. TESTING & ACCESS:** Owner grants SBW permission to operate the vessel for diagnostic testing, sea trials, and transport; Owner's insurance remains primary during such operations. SBW requires clear access to the vessel; SBW may remove or cut locks at the Owner's expense if keys/codes are not provided.
- **3. PRICING & SCOPE:** Quoted prices are estimates based on standard conditions. Actual charges are based on time and materials at SBW's prevailing hourly rate (\$155/hr). All "per foot" charges are calculated using the vessel's Length Overall (L.O.A.). On vessels over 15 years old, SBW is not responsible for the failure of brittle plastics, corroded fasteners, or aged wiring encountered during standard service. SBW does not warranty labor or performance for services utilizing customer-supplied parts.
- **4. PAYMENT TERMS:** Payment is due upon rendering of invoice. A **4% service fee** applies to all credit card payments (waived for cash/check). Balances over 30 days are subject to a **3% monthly service charge**. **No vessel will be released until all outstanding balances are paid in full.** Owner agrees to pay all reasonable attorney's fees and costs incurred by SBW in any collection effort.
- **5. POST-SERVICE STORAGE:** Vessels not picked up within five (5) days of notification of completion will be subject to a storage fee of **\$25.00 per day**. SBW is not responsible for any damage occurring while the vessel is awaiting pickup.
- **6. MARITIME LIEN & ABANDONMENT:** Owner grants SBW a security interest and maritime lien under state and federal law on the vessel and equipment to secure all unpaid balances. Vessels left unpaid for more than 90 days may be considered abandoned and subject to disposal or sale in accordance with the Rhode Island Uniformed Boat Liens Act.
- **7. ENTIRE AGREEMENT:** This Agreement constitutes the entire understanding between the parties and applies to all current and future work performed by SBW.

I have read and agree to the Terms and Conditions above and authorize the work requested on the front of this form.
